

## Beginning and Intermediate Levels

Ages 6-9, 10-13

This program has been designed for children ages 6 to 13 who are total beginners in Spanish and also for children that have a Spanish background.

Through games, readings, planned activities the children will be able to grasp concepts, and use them within the class and Spanish speaking environments.

### Beginner Level

This course is designed for children without any knowledge of Spanish. The instructor will work with reading, writing but the emphasis will be on speaking the language. A variety of dynamics will be introduced in order to attend to the specific needs of each student.

At the end of the course students will be able to communicate basic situations in Spanish:

- Introduce themselves and their classmates
- Talk about their closer environment (school, friends and family)
- Express their likes and dislikes

### Intermediate Level

This course is designed for children with a basic knowledge of the Spanish language. Oral interaction, reading and writing will all be used in the classroom. Different techniques and

strategies will be used with the objective of developing the student's autonomy and to promote cooperative learning.

At the end of the course students will be able to communicate real situations in Spanish:

- Talk about themselves and the people in their lives
- Talk about their daily activities and interests as well as the activities and interests of others
- Exchange information about their environment: house, neighborhood, school, etc.
